FORWARD-LOOKING INFORMATION

This news release contains forward-looking information concerning the Company's business and operations. The words "intend," "believe," "principally," "primarily," "likely," "often," "generally" and other expressions of similar import, or the negative variations thereof, and similar expressions of future or conditional verbs such as "could," "should," "would," "may" or "will," are predictions of or indicate future events, trends or prospects or identify forward-looking information. Forward-looking information in this news release includes, among others, statements with respect to the Company's objective of investing in a diversified portfolio (the "portfolio") of large capitalization resource companies that Brookfield Investment Management (Canada) Inc. (the "Manager") believes are best in class to generate cash dividends to fund quarterly fixed cumulative preferential dividends for the holders of the Company's preferred shares and to enable holders of its capital shares to participate in any capital appreciation of the portfolio, fluctuations in the market value of units of the Company due to interest rate levels and the value of the portfolio. Additional forward-looking information may also include fluctuations in the value of the Company's portfolio and cash flows due to foreign currency exchange rates.

Although the Company believes that the anticipated future results or achievements expressed or implied by the forward-looking information and statements are based upon reasonable assumptions and expectations, the reader should not place undue reliance on the forward-looking statements and information because they involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to differ materially from anticipated future results, performance or achievement expressed or implied by such forward-looking information and statements.

Factors that could cause actual results to differ materially from those contemplated or implied by the forward-looking information include: the behavior of financial markets, including fluctuations in the value of the portfolio and interest and exchange rates, availability of financings and other risks and factors detailed from time to time in the Company's other documents filed with the Canadian securities regulators.

We caution that the foregoing list of important factors that may affect future results is not exhaustive. When relying on our forward-looking information to make decisions with respect to the Company, investors and others should carefully consider the foregoing factors and other uncertainties and potential events. Except as may be required by law, the Company undertakes no obligation to publicly update or revise any forward-looking information or statements, whether written or oral, that may be as a result of new information, future events or otherwise. Reference should be made to the Company's Prospectus with respect to the Class A Preferred Shares, Series 1 for a description of the major risk factors.
